

Summer 2020

Skaalen Auxiliary Quilt Faire

The ongoing concerns presented with COVID-19 (coronavirus) have made it necessary for the Auxiliary to cancel their 2020 Quilt Faire. The safety of our volunteers, exhibitors and guests is our priority and at this time we do not feel that it would be safe for us to proceed. Our planning committee will begin working on plans for the 2021 Quilt Faire in the fall. Please watch for more details as they become available.

Administrative Intern

I am Maggie Schellhorn and I am the new Administrative Intern at Skaalen. I am currently a student at UW-Eau Claire where I am finishing up my senior year. I will graduate in May 2021 with a degree in Healthcare

Administration. To finish my degree, I am doing a year-long internship at Skaalen in order to gain first-hand experience in healthcare. This is done by spending time in each department, working with all the Skaalen employees, and finding projects that will create a positive impact.

I am originally from Gays Mills, WI. My hometown is commonly known for its apple orchards! In addition, I come from a family of 6 where I have two sisters and a brother. When I am not at work or doing school, I enjoy reading, working out, and rollerblading with my friends. I am very excited to spend my next year with the organization. I feel very fortunate to spend this time learning from all the staff at Skaalen!

New to Skaalen

My name is Jamie Rucht and I am the new Social Worker for the residents of Garden Glen. I graduated from the University of Wisconsin-Whitewater in December 2015 with a

Bachelor's Degree in Social Work. I was a Child Protective Services worker for two years and licensed foster homes for one year. I have been working as a Social Worker in a Skilled Nursing setting for a little over a year now. I enjoy advocating for the residents and hearing their wonderful stories. Outside of work, I enjoy hiking, fishing and watching a good series on Netflix. I am excited to be a part of the team at Skaalen!
