

Easter Bulb Gardens

The Skaalen Auxiliary is working with an area florist to purchase potted Easter lilies, tulip, daffodil and hyacinth bulb gardens that can be delivered to your loved one or, to a resident unit, in celebration of Easter. Plants will be in 6" plastic pots wrapped in blue foil and will have a white bow attached. Each plant will also have a small card attached that can include a special message. All plants will be delivered to the residents and units on the afternoon of Friday, April 2.

If you would like to join the Auxiliary in this project, please use the attached order form. We will accept orders through March 14, 2021. The cost for each plant is \$17.00.

Please make checks payable to the Skaalen Auxiliary and mail to Dawn Zaemisch at 400 N. Morris St., Stoughton, WI 53589.
